Get Moving!

Remember that New Year's Resolution about getting in shape? How's that going for you? Are you working out? Or would you be working out if only you had a place to do so—a convenient location open when you can use it and that doesn't cost an arm and a leg. If only a place like that existed.... Well, a place like that DOES exist: it's the Weight Room at the Finley Complex. It's open Monday through Friday from 8 in the morning till 8:30 at night, it has a wide range of exercise equipment, it has free weights, and...it's FREE. So now, if you've lost your last excuse—time to get moving and get in shape! If you have questions, call Josh at 505-573-7646.

What about your cardio? Are you doing anything to get that heart rate up and improve your lung capacity? Start training for a 5K, or even a 10K. The City, in conjunction with the Striders and Riders Club, is sponsoring a series of races to get Socorro in shape. The first will be the Socorro Adventures Run April 4. You can choose from a 5- or 10-kilometer race, or, if you aren't quite ready to run, a 5-kilometer walk. To register online go to www.newmexicosportsonline.com. Registration ends April 4 with packet pickup on the 5th. Time to put on those running shoes and *get moving!*

or go fishing...

The Annual Socorro Community Fishing Clinic and Derby will be held at Escondida Lake on March 23. The objective of the derby is to teach young fishermen (ages 3 through 17) about sportsmanship, ethics, and fishing techniques while providing a positive, fun and safe activity. The fun starts at 8 am and runs till noon, with lunch served by the Disabled American Veterans Club and Socorro General Hospital (free for kids). A fishing license is required for anglers 12 and over, which must be purchased at a licensing vendor prior to the derby (no habitat stamp required!). Registration starts at 7 am, and there will be plenty of door prizes, a raffle for over 60 fishing poles and special prizes for the longest fish. Gather up your tackle, your kids, your grandkids, your friends and have a great time!

Monte and Antonio Chavez make good on their New Year's Resolutions by working out in the Finley Weight Room during the noon hour.
